Exhibit A

INDUSTRY CAPSTONE PROGRAM

PROJECT PROPOSAL

PROPOSED PROJECT TITLE: _____

ACADEMIC YEAR: ◯ 2023/2024 ◯ 2024/2025

SPONSOR NAME: _____

SPONSOR TYPE: ◯ INDUSTRY ◯ UNIVERSITY ◯ GOVERNMENT ◯ NON-PROFIT

PROJECT RESTRICTIONS: ◯ U.S. CITIZENS ONLY ◯ U.S. PERSONS ONLY ◯ NDA REQUIRED ◯ EXPORT CONTROL DATA
Restrictions are strongly discouraged

SPONSOR LIAISON (PROJECT AMBASSADOR): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

SPONSOR TECHNICAL (PROJECT MENTOR): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

SPONSOR PAYMENT (PROJECT INVOICE RECIPIENT): _____

ADDRESS: _____ PHONE: _____ EMAIL: _____

HOW ARE PAYMENTS PROCESSED BY YOUR ORGANIZATION? (CHECK ALL THAT APPLY):

◯ACH/WIRE , ◯PHYSICAL CHECK, ◯3RD PARTY (E.G., PAYEE CENTRAL, ARIBA)

$18,000 PROGRAM FEE

ANTICIPATED PROJECT COSTS (materials, travel, etc.): $ _____

Note: If actual costs exceed the above projections an additional funding discussion will be required prior to any additional spending.

For Admins Only:

Maximum departmental assumed cost:	
Sponsor assumed cost:	

SPONSOR RESOURCES / FACILITIES PROVIDED: _____

UW RESOURCES / FACILITIES REQUIRED: _____

PROJECT DESCRIPTION AND SCOPE: *UW reserves the right to share project description and scope information provided below.*

Project description, motivation and relevance to lead department (non-confidential)

DESIGN PARAMETERS AND PERFORMANCE:

Project design parameters, performance criteria, scope (non-confidential)

DIVERSITY, EQUITY, AND INCLUSION:

Describe applicable avenues in the project for students to engage in universal design principles and inclusive design, and/or the project's impact on diverse populations.

OUTCOMES:

Desired outcomes and deliverables (non-confidential)

PROJECT SKILL STRUCTURE:

With which engineering department(s) would you like the project to engage?

**Selection does not guarantee assignment. Departmental participation will be verified and confirmed by UW Faculty.*

- ◯ William E. Boeing Department of Aeronautics & Astronautics
- ◯ Bioengineering
- ◯ Chemical Engineering
- ◯ Paul G. Allen School of Computer Science & Engineering
- ◯ Civil & Environmental Engineering
- ◯ Electrical & Computer Engineering
- ◯ Human Centered Design & Engineering
- ◯ Industrial & Systems Engineering
- ◯ Materials Science & Engineering
- ◯ Mechanical Engineering

Please describe primary skills preferred for the project:

(i.e., controls/dynamics, manufacturing, fluids, plasma/propulsion/power, structures, etc.)
